Map memory (Introduction)
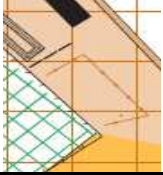

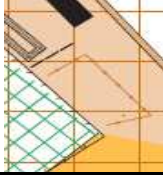

Cut out the resources on page 2. Ensure that each map section has either a letter or Number next to it and keep all of the cards the same size. These may be laminated for longevity.

Set Up
Place all the map sections with numbers on a wall / window / shelter etc. Place the remaining map sections with letters elsewhere in the room / grounds, etc. Each participant has a piece of paper and they run between the map sections with numbers and letters and try and record which numbers corresponds to which letters.

Hints
If the class is big in size or 'need some exercise' set the distance between the map cards at least 50m apart or on the other side of the building.
	A		10
	C		2
	B		8
	D		6
	E		9
	F		1
	G		5
	H		3
	I		7
	J		3

Instructions

Match each of the map numbers with its' corresponding letter
