*By Susan Marron IPPEA EUPEA Board Member  
Susan attended online*

### **November 16th Thursday**

16:00 – 18:00 EUPEA Board Meeting

Agenda acceptance and Minutes from previous meeting in Trnava June 2023

Checking accounts in preparation for the Forum meeting.

### **November 17th Friday**

#### **Erasmus Project Multiplier Event Meaningful testing in Physical Education**

- General discussion on the topic of “Meaningful testing in Physical Education”, based on examples from European projects and from EUPEA. Members. Susan Marron presented responses from EUPEA Central Europe members who responded to a call to submit a slide on motor competence testing in PE lessons. Susan included a slide on behalf of the IPPEA.

- Practical- Meaningful testing in Physical Education – Part 2  
How to test and promote Basic Motor Competencies in Physical Education?  
Theoretical introduction to and practical implementation of the MOBAK Application, developed in the frame of the Erasmus+ funded project BMC-EU DigPro (Basic Motor Competencies in Europe – Digital Promotion).

- Meaningful testing in Physical Education – Part 3- Panel and open discussion (Susan Marron could not attend Part 3)

#### **EUPEA Forum Meeting Part 1**

- EUPEA accounts presented.
- Project summaries
- EUPEA communication and Advocacy practices discussed.

### **November 18th Saturday**

#### **09:00 – 12:00 EUPEA Forum Meeting Part 2**

- Continuation of discussion on work of EUPEA projects
- Research and Publications (Marcos): There has been none since 2012 other than presentations; R and P are strongly embedded in the projects e.g., literature reviews. Publications in scientific journals. There are no initiatives by EUPEA recently.
- Elections

13:30 – 17:30 **EUPEA Forum Meeting Part 3** (*Susan Marron is no longer on the EUPEA board so did not attend the board meeting*) *However the IPPEA remains a EUPEA member and Susan will be the IPPEA EUPEA link person.*
